The Evangelical Fellowship Ethos

The Evangelical Fellowship seeks to provide a place where

- we collectively acknowledge God's acceptance of ourselves and each other through Christ
- people can meet in safety, mutual respect and openness for the purpose of spiritual growth and personal development
- people from different backgrounds, at different stages of reconciliation of gay, Christian and other issues, can meet in an atmosphere of mutual support
- people will be strengthened and encouraged to love and accept themselves and each other as they are, and to proceed along the pathway to wholeness.

The aims of EFLGC are:

- To support evangelical Christians who know they are homosexual, or who are seeking to come to terms with their sexuality.
- To help other evangelical Christians to re-examine their understanding of human sexuality, and to increase their understanding of homosexuality.
- To encourage members to witness to their faith to others who are homosexual, and to witness to their convictions about human sexuality within the church.

In addition to regular mailings of the newsletter members are able to join the Open Membership list, become linked with Regional Groups, and actively contribute to other aspects of the Fellowship.

Full EFLGC Membership

To become a full member you must support our aims and accept our statement of conviction below.

It is our conviction that human sexuality in all its richness is a gift of God gladly to be accepted, enjoyed and honoured as a way of both expressing and growing in love, in accordance with the life and teaching of Jesus Christ; therefore it is entirely compatible with the Christian faith not only to love another person of the same sex but also to express that love fully in a personal sexual relationship.
