I support the aims of the EFLGC

- ◆ To support evangelical Christians who know they are homosexual, or who are seeking to come to terms with their sexuality.
- ◆ To help other evangelical Christians to re-examine their understanding of human sexuality, and to increase their understanding of homosexuality.
- ◆ To encourage members to witness to their faith to others who are homosexual, and to witness to their convictions about human sexuality within the church.

and accept our statement of conviction that human sexuality in all its richness is a gift of God gladly to be accepted, enjoyed and honoured as a way of both expressing and growing in love, in accordance with the life and teaching of Jesus Christ; therefore it is entirely compatible with the Christian faith not only to love another person of the same sex but also to express that love fully in a personal sexual relationship.
